“Love is the river of life in the world” Henry Ward Beecher

Dear Future Bride and Groom,

Your wedding is the beginning of a journey....a Journey in Life...Love... and everything else. AHA River Place Lodge would like to congratulate you on your engagement and we urge you to leave it to us to ensure that your journey with the one you love begins as smoothly as possible...

AHA River Place Lodge is a magnificent country wedding venue that takes full advantage of beautiful indigenous gardens, impressive mountain and river views - all combining to provide an idyllic wedding experience. The estate consists of 18 hectares of prime river-frontage and is conveniently located just 20 minutes from Fourways and Centurion, just off the William Nicol and N14 highway between Johannesburg and Pretoria.

Exclusive stone cottages for you to dress and prepare; a complimentary bridal suite; special gourmet menu's prepared by al Fiume's Executive Chef for your dining pleasure and an atmosphere just dripping romance....at aha River Place Lodge, the initial threads of your life together will be woven from unique memories.

When it comes to your special day's arrangements, our keynote is flexibility with a variety of options. You may wish to exchange your vows in one of our stone-clad chapels with stunning views, on the lawns next to the river or at our unique waterfall cove set in a peaceful ravine. You might choose to hold the reception at al Fiume restaurant on the banks of the river... at the open-air café terrace or at the unique River Lapa, all of which can be specially decorated to create the mood and ambience you have always dreamed of.

A sun-kissed stone bridge over the river...the sound of the rapids creating a backdrop to your vows...the sun setting over the hills in the distance...the moon rising through the indigenous trees...a delicious wedding feast with a difference...a time filled with love, light and laughter...a special time that both you and your guests will treasure for years to come.
