

aha SIMON'S TOWN QUAYSIDE HOTEL TO UNDERGO R8.6M STATE OF THE ART REFURBISHMENT

Johannesburg, 05 April 2017 – aha Simon's Town Quayside Hotel, Western Cape; is due to undergo a comprehensive R8.6m state of the art refurbishment which will result in the closure of the establishment commencing on 18th April 2017 to August 2017. This 4 month project entails a complete overhaul to all bedrooms, bathrooms and public facilities.

This appealing hotel is situated at the heart of the *Cape Point Route*, on the water's edge of Simon's Town Yacht Basin with incredible views overlooking False Bay and the majestic *Simon's Kloof Mountains*.

All 26 bedrooms will receive a complete transformation with an additional three rooms added which will bring the total number of rooms to 29. The rooms will still maintain its luxurious settings with its nautical nuances that enhance the overall ambiance of the rooms ensuring that guests are cosseted in sheer comfort and style.

The bath tubs in all the bathrooms will be interchanged with new state of the art showers. This is in line with environmental trends which also align with *aha's* water conservation and sustainability strategy, particularly in this drought stricken province.

Advanced technological features will be incorporated including the up-grading of the Television sets, fast efficient Wi-Fi access and new lockset handles.

"This quaint hotel is steeped in history and renovating it not only ensures that we preserve its prestige but we also look forward to providing our guests with more enhanced services, quality rooms and facilities", **says Neil Bald; aha Hotels & Lodges CEO.**
